Pot O' Gold: What Would You Do With a Pot 'o Gold?

Luck is often associated with St. Patrick's Day and the month of March. I was reflecting on how lucky I am to be the principal of such a wonderful school community. Honestly, I could not ask for better students, parents and staff and smile often at what we have all created together for kids. I must admit, I am also smiling a lot at all the funny things our students say. There is no one more honest than a 3 to 8 year old. I asked for some input from some of our students as to what they would do with a pot o' gold. Here are some of their answers:

- Logan- 1st Grade: If I had a pot of gold, I would get a hot tub and a butler and a private jet. I will go to meet Barack Obama and he will go on vacation so I get to run the country. With the pot of gold, I will buy my very own bowling alley. I will order people to build a water park and I will get a HDTV and watch AFV.
- Olivia B.- Kindergarten: If I had a pot of gold I would go on a kroos (cruise).
- Brandie- Kindergarten: If I had a pot of gold I would scream.
- Zoe- 1st Grade: If I had a pot of gold I will buy books,

food, games and toys. I will go to a rainbow. I would slide down the rainbow.

- Indaca- 1st Grade: If I had a pot of gold I would buy books to read. I would buy toys.
- Mason- 2nd Grade: If I had a pot of gold I would buy a new bike, a lollipop and beef jerky.
- Emily P.- 2nd Grade: If I had a pot of gold I would save the gold for something good, so I could put my money with the pot of gold.
- Paige- 2nd Grade: If I had a pot of gold, I would give some of it to charity and some to my family. I would keep the rest.
- Kaleb- 2nd Grade: If I had a pot of gold I would give money to the poor. Then if I still have some coins I will buy a Lego set.
- Julia- 1st Grade: If I had a pot of gold I would spend it on a monster truck with fire coming out of its engine and it would be alive!
- Nick- 1st Grade: If I had a pot of gold I would make a roller coaster.
- Meg- 2nd Grade: If I had a pot of gold I would save it up. So then when I got older I would have money

and a lot of it. I would pay off the phone bill, light bill, car bill, bank account bill and every bill I have to pay. I would jump for joy even if I had one coin. I hope my child is a boy. We would be a royal famile (family). We would travel to the point of Mount Rushmore.

- Layla- 1st Grade: If I had a pot of gold I would buy a present for every teacher and a new tv.
- Aiden- 1st Grade: If I had a pot of gold I would buy a pet gibbon and I would take him for a walk. And I would buy a forest for him to live in.
- Cody P.- 1st Grade: If I had a pot of gold I would buy a lot of books so I can read them.
- Sterling- Preschool: If I had a pot of gold I would take it to my house, show my mom and if she said no, I would take it back.
- Ben- Preschool: If I had a pot of gold I would buy 200 boats.

Sincerely,
Michelle Toon
